

SEEK REFUGE IN PERFECT WORDS OF QURAN

أَعُوذُ بِكَلِمَاتِ اللَّهِ التَّامَّاتِ
مِنْ شَرِّ مَا خَلَقَ

'I seek refuge in the perfect words of
Allah from the evil of what He created,'

Khawlah bint Hakim reported: The Messenger of
Allah, peace, and blessings be upon him, said,
"Whoever enters a residence and then says, 'I seek
refuge in the perfect words of Allah from the evil of
what He created,' nothing will harm him until he
departs from that residence."

(Sahih Muslim 2708)
