Discussion on the
whispering of
Shaytan (Surah
An Nas)

The virtues of surah An Nas:

- Verses revealed to Prophet Muhammad (peace & blessings be upon him) that has not been seen before. (Hadith Muslim 1:558)
- The best 2 surahs that the people recite (together with surah Al Falaq) before sleep & after wake up (Hadith Ahmad 4:144)
- No person seeks refuge with anything like these 2 surahs (Hadith An-Nasai 8: 253)
- Protection from illness, evil eyes and jinns (hadith Hasan Sahih An-Nasai 8:271)

There is not any of the Children Of Adam except that he has a companion that beautifies wicked deeds for him (the devils). The only person who is safe is He Whom Allah protects. Shaytan is Al-Waswas. He blows into the heart of Son Of Adam when he is sad and when he is happy, but when he remembers Allah, Shaytan withdraws.
